CL3300 & CL3500 Series

Cylindrical Locks

Corbin Russwin will discontinue the CL3300 and CL3500 Series cylindrical locks effective December 31, 2023.

During the remainder of 2023, products will be available as inventory levels allow. As inventory is depleted, any orders placed during this time will be switched with the CLX3300 Series. Beginning January 2, 2024, the CL3300 and CL3500 Series will no longer be available to order and all purchase orders received will convert to the comparable CLX3300 Series configuration.

Warranty Support:

All qualified warranty claims will be supported. Current warranty for the CL3300 and CL3500 Series will remain in place through the respective warranty period. However, if required, products may be replaced with CLX3300 Series units at our discretion.
