

Schlage Control™ Smart Deadbolts

BE467F, Grade 2

Schlage Control™ Smart Deadbolts mark a new era of electronic access control in the multi-family world. By ushering in the next generation of highly scalable, efficiency boosting capabilities, multi-family properties can focus on operating more profitably—and with greater appeal for residents.

Using cloud-based mobile or web apps, facility staff can configure and manage access from virtually anywhere. The open integration capabilities, in conjunction with ENGAGE™ Technology, offers flexible, streamlined control and the freedom to integrate with alliance software partners to manage a wide spectrum of facility needs. Residents will enjoy the convenience of using a smartphone and/or smart credentials to open doors.

Schlage Control™ Smart Deadbolts are part of an extensive Allegion® lineup, which holds a solution for every door a multi-family property needs to manage.

Benefits

- Improves security & safety, reduces liability
 - No-cylinder design makes locks 100% pick and bump proof
 - Designed for accessibility using smart credentials and/or smartphone
- Increases efficiency of property operations
 - Eliminates cost and hassle of managing of keys
 - No-tour functionality (altering access to a lock without having to visit it)
- Maximizes return on investment
 - Smart credentials eliminate lock rekeying costs
 - Upgrades property visual appeal
